Just Dance is a dance performance and production training course for young people aged 13 to 19 from the Royal Borough of Kensington and Chelsea. No previous training required – just a love of dance!

The Royal Borough's Youth Arts Service invites young dancers to explore dance technique and creative choreography with industry professionals from TV, West End Theatre and MTV.

The Easter intensive is your chance to try out sessions in Jazz, Contemporary and Street Dance and find out more about how to create events and produce theatre.

The Just Dance course offers awards and accreditations and will run on a weekly basis for 12 weeks.
